⁺These scholarships may be awarded for any number of music related activities including summer band, private lessons, marching band fees and summer music camps.

Criteria

1. The student is an active participant in the West Lafayette Schools band program and is enrolled in a band for the following year.
2. The student has shown serious commitment to musical involvement and to his/her musical instrument.
3. The student has musical leadership potential.
4. The student has participated in solo or ensemble contest or will plan to in the upcoming school year.
5. The student would grow and benefit by this music camp or program experience and, in turn, would enhance and support the program of his/her performing group.
6. Priority will be given to students who have a financial need.

Procedure

1. The teacher of each organization informs the students of the Band Boosters Scholarships* which are available.
2. Interested students fill out the application and email or submit it to Mr. Pettit.
3. The band faculty together chooses recipients based on all applications submitted.
4. The names of all the applicants chosen to be recipients are given to the Band Boosters Executive Board for request of funding.
5. The Band Booster President then sends an email to all applicants informing each one individually by email of the application results.
6. The Band Booster Treasurer is informed by the President and mails a check to each scholarship recipient's camp of choice or private tutor.

*Depending on funding, scholarships may or may not be available annually.
